Subject: RE: Blue Moon - installation and calibration of equipment

Hi Stephen

I will let the Blue Moon know you are coming.

Also my computer crashed actually a couple of times any way I have lost the web site and my access codes to get in and input the information it has been several months since it was updated can you please resend this to me I will also need to add another person to the log in so they can input the numbers on a daily basis.
Thanks and look forward to meeting you
Joe

Hi Stephen,

Your contacts:

COS

Jim Cox
858-597-4212
jcox@cosintl.com

StarKist

Brett Butler, General Manager
684-644-1835,
brett.butler@delmonte.com

Joe Carney
684-644-1835

joe.carney@delmonte.com

I have copied these folks to let them know about your plans.

For your trip I recommend:

<http://www.sadieshotels.com/sadiesbythesea.html> (not
Sadie Thompsons Inn)

It is a newly re-modeled hotel, on the beach, very convenient for your
work.

Tips: You must have a passport that will not expire during your stay.
Hawaiian Air will not let you on the plane without your passport.
Bring
a hat and sun-block.

If you have any other questions, please let me know.

-Carl

Monitoring fishwaste in Am Samoa

Hi, Allan and Carl

My itinerary to install and calibrate the monitoring equipment on the Blue Moon is:

Sunday Sept 21st arrive in PPG 9:30 pm

Thursday Sept 25th depart PPG 11:20 am

I'm not sure who the contacts will be in Am Samoa, so I need your help.

Could you please let them know when and why I'll be there?

I also need help with contacts for a place to stay. Would you or they have that information?

Thank you
